Annual School Counselor Law Seminar

May 7, 2018 - 9:00 a.m. - 12:30 p.m.

Today's school counselor also must be knowledgeable about education law as they make numerous individual decisions, each with potential legal consequences. Unless there is a basic understanding of those consequences, a school counselor and the school system will be at risk. Join us to learn the latest in school law pertaining to the job of school counselors.
