\$35.00 administrative fee

THE WORK OF THE STATE BOARD

This session is designed to give board members a greater understanding of the State Board, how it operates, and the kind of decisions it makes.

You will observe the State Board of Education in one of its meetings, and then have an opportunity to “debrief” with MABE’s Director of Governmental Relations, John Woolums and Director of Board Development Molly Young over lunch.

This Board Service Academy will be held from 8:30 am-1:00 pm at the MSDE Office in Baltimore. Directions will be sent to participants.
