Parliamentary Procedure can be a source of frustration for boards. This is not because there is a problem with Robert's Rules of Order, it is because board members typically receive little or no training on how to use Robert's Rules of Order effectively. This lack of training leads to confusion, frustration, and wasted time. Led by Tyson Bennet, this session promises to be highly interactive and engaging, providing you with a clear understanding of ways to use Parliamentary Procedure to make your meetings more efficient and productive.
