The BOE of Allegany County and ACPS Seek a Superintendent Who Is...

A consensus builder who will communicate transparently and honestly with the Board of Education and all school system stakeholders; is able to build support for the public schools and will be visible and proactive in the Allegany County schools and community.

A child-centered communicator of high ethical and moral character who will build bridges while passionately advocating for all students and guiding a vision of racial and cultural equity.

An experienced, instructional leader with broad Pre-K-12 experience who believes that student achievement is the top priority; understands the challenges and issues and will work with the Board to create a long-term vision for the school system.

A decisive administrator who respects, motivates and empowers staff, recognizes success; promotes accountability; and accepts ultimate responsibility within the policies and guidelines set by the Maryland State and Allegany County Boards of Education.

An administrator with proven financial and budgeting skills who will set priorities, assess needs, and equitably allocate resources to advance the system’s goals and can articulate the needs to the public and funding officials.
