&
Family
Risk Factors

Individual, Family &
Community
Protective / Promotive
Factors

Members of Boys & Girls Clubs in Maryland*

Feel *safer* at the Club than other places they spend time

Feel like their *ideas* count at the Club

Feel at least 2 Club adults would be there for them in a *crisis*

Feel there is a staff member who believes they will be a *success*

54%

Club alumni nationwide say the Club "literally saved my life."

97%

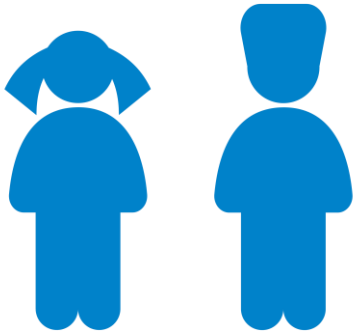
Baltimore Club members say the Club "accepts me for who I am."

81%

Club juniors and seniors nationally report they are planning to enroll in postsecondary education.

COVID19 RESPONSE

More than **1,000** devices and hotspots



Kept Clubs open for **2,800+** hours to support children of essential personnel

Made **2,500+** phone calls and “screen door” visits to check on families

Extended Club hours to provide **300,000+** hours of support for virtual school

3,200+ hours of summer camp programming

PROJECT: BOUNCE BACK

- Open Boys & Girls Club sites in new communities and counties
- Expand community and family outreach programs
- Expand virtual Boys & Girls Clubs in rural communities

PROJECT: BOUNCE BACK

- Prioritize collaborative service model to serve every county in Maryland
- Family engagement teams and new community partnerships
- 1:1 tutoring programs & social emotional wellness
