

Caroline County Public Schools, located in the heart of Maryland's beautiful Eastern Shore, is seeking applicants for the position of Superintendent of Schools to be effective July 1, 2022.

Caroline's highly supportive school board, staff, and community are seeking a proven instructional leader with broad pre-K-12 experience who is passionate about the education of all students, and understands the challenges and opportunities of a small, rural district with a diverse student body.

Caroline serves approximately 5,500 students in ten schools. With over 1000 employees, the school system is the largest employer in the county.
